Jesse.

We sent out letters on December 2017 for last year. We were going to send out last year's letters in December 2018, but our Public Information Officer retired and it took some time to get someone to get them out.

I will get back on schedule for 2019.

Jesse,

We just sent out letters for the second year (April 2019). I'll look into the time period we sent them out last year.

Hello Fonda:

We are doing the Five Year Review and will like to interview you. Do you have some time next week or the week after? For the last five years, can you send the dates that the annual letters were sent to the owners of record and property address?

Thanks,

Jesse
